

BEST ALUMINIUM CASTERSS

MANUFACTURER OF ALUMINIUM CASTINGS

GRAVITY DIE CASTINGS, HIGH PRESSURE DIE CASTINGS AND SAND CASTINGS

BEST ALUMINIUM CASTERSS is one of the leading manufacturer of Aluminium Casting components in South India. We manufacture custom made Aluminium castings in accordance with the industry standards. We undertake Aluminium Gravity Die castings, High Pressure Die Castings, and Sand castings.

An ISO 9001:2008 accredited Organization having **HMT-BUHLER 250 Ton PDC** and 160 Ton PDC machine and 120Ton Pressure die casting machine capable of manufacturing customized castings and also VMC-850 machining center to supply fully finished products.

We have been providing complete diecasting solutions that customers would be best served by a single supplier who could be responsible for all aspects of a project from design to delivery.

The superior quality and high performance die casting components manufactured by us are supplied to the various renowned and leading manufacturers of Tractors, Tillers, Textile machinery, domestic appliances, automobiles, etc.

We are proud to say as an **OEM** supplier to **V.S.T.TILLERS TRACTORS Ltd- Bangalore & Hosur** unit for 15 finished products & also **OEM** supplier to **MAHENDRA PUMPS, HORIAKI INDIA PRIVATE LIMITED.**

**V S T TILLERS &
TRACTORS LIMITED**

SF.No: 429, 6th Cross Street, ThaneerPandal, V.K.Road, Peelamedu (PO), Coimbatore- 641004, India.

BEST ALUMINIUM CASTERSS

INFRASTRUCTURE

Location: 5km from Airport, 7km from Railway station

Land : 8100 sq.ft

Staffs : 4 persons

Workers : 10 persons

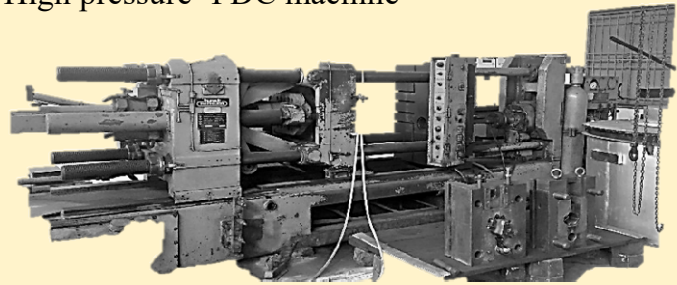

Power : 150 HP

Pollution certificate: Air & Water

MACHINES:

- 1) 250Ton HMT Buhler Cold chamber -High pressure- PDC machine
- 2) 160Ton HMT Buhler PDC machine
- 3) 120Ton SSEngg PDC machine
- 4) Electrical Furnace - 250 kg
- 5) Electrical Furnace - 150 kg
- 6) VMC 850 machining center
- 7) Air Compressor – 2nos
- 8) Bandsaw Cutting machine - 1no

SECONDARY OPERATION MACHINES :

- 9) Table grinding machine – 1no
- 10) Belt grinding machine – 1no
- 11) Table Drill machine – 2no
- 12) Pillar Drill machine – 1no
- 13) Table Tap machine – 2no
- 14) Hand grinding machine – 1no
- 15) Hand Drilling machines – 5nos

TOOLS for INSPECTION :

1. Mitutoyo-Digital Height gage – 300mm
2. Mitutoyo-Height Gage – 300mm
3. Mitutoyo-Digital Vernier –200 mm
4. Digital Vernier –150 mm
5. Dial Vernier – 300 mm
6. Mitutoyo-Screw gauge (0-25)mm
7. Mitutoyo-Screw gauge (25-50)mm
8. Mitutoyo-Screw gauge (50-75)mm
9. Plunger Dial – 10 mm
- 10.Surface Table -1no
